"11. The cost of all analyses made under these rules shall be borne by Government."

2. Substitute the following for condition 2 of the license for the sale of Methylated Spirit:—

But the issue of licenses to persons licensed to sell liquor for consumption on the premises is prohibited.

4(*a*). Chemists and others requiring caoutchoucined spirit for use in their business, but not for sale, will be given special licenses (M. 9. No portion of such bulk shall be used for the purpose of methylation or be transferred to the Warehouse until the receipt of the Chemical Examiner's report. On the receipt thereof, if it be to the effect that the materials are not suitable for use in methylation, the officer shall deliver the same to the manufacturers who shall be bound forthwith to remove the same from the premises and not bring them back again. If, however, the Chemical Examiner's report is to the effect that the materials are suitable for use in methylation, the officer will cause them to be removed into and to be secured in the Distillery Warehouse, and at the same time enter them in the register (M. S.—4).

10. A register in the form (M. S.—4) shall be maintained at the Government Central Distillery at Bangalore.
